## Prophetic Training Workshop

**Learning to hear God's voice is absolutely foundational to your growth and development as a Disciple of Jesus Christ.** Sadly, however, many Christians remain dependent on pastors, leaders, or others with prophetic gifts, to hear what God is saying to them. Jesus promised, "My sheep hear My voice." (John 10:27). Are you hungry to hear Him better for yourself?

This comprehensive hands-on workshop will equip you to hear God's voice more clearly, and give you greater confidence to speak prophetically anywhere you are! Here is a brief summary of the topics covered in each session:

### Session 1

**Discipleship: What does it really mean to be a follower of Jesus?** The ability to hear God's voice is foundational to our success as disciples. What are the three characteristics every disciple must have?

### Session 2

**God's Prophetic Promises and Mandates.** Can every disciple prophesy the word of the Lord? What does prophetic ministry actually accomplish for us and for others?

### Session 3

**The Eternal Purpose of God: What does the Lord truly desire?** Why is prophetic ministry so vital to the plans of the Lord? Identifying and removing hindrances to fully knowing the Lord. How to guard your heart.

### Session 4

**The Nature of His Voice: Is that You, Lord... or me... or the devil?** How can we remove all doubt concerning hearing His voice? How to avoid deception. Four keys to receiving fresh revelation from the Lord every day.

### Session 5

**Prophetic Protocol: What do I do with the prophetic revelation I receive?** What are the major ways God uses to speak to us? How to effectively handle and present prophetic revelation. How to properly respond to the prophetic ministry you receive.

## Session 6

**Faith to Prophecy: “Open your mouth and I will fill it.”** What is “faith” and how do you “grow” it? How to overcome fear and intimidation, and become bold in the Spirit.

### Activations

Our training model includes opportunities to encounter the Lord in every session, along with “hands-on” exercises designed to help people gain confidence in hearing God’s voice and sharing what they’re receiving from Him.

Rosabel Alicea, LPN

“This course has helped me to grow in many ways. I feel that I am able to hear the voice of God with more clarity, and the Lord has given me revelation to see and understand things from His perspective. I know that through this He has also brought me to a new level of intimacy and oneness with Him.”

Maria Williams

“My spirit eyes were open to the visions and dreams God has placed in my heart long ago. It gave me insight and foresight of what I was made for and what I am to accomplish in Christ. It gave me clear direction in what is God's will and purpose in my life.”

Edwin De Jesus

“This class has given me a deeper understanding of the gifts God has given me and has empowered me to operate with confidence in doing that which He has assigned to my hands.”

Kelley Lancaster, CSVA, District Coordinator AME Zion Church

The **Destiny Discovery Workshop** served as a valuable resource that enabled me to understand how my past experiences directly affected who I am today and why I feel the way I do about the passions in my life. It provided much encouragement, not only confirming but also bringing greater clarity as to the direction I need to continue in, in order to see my destiny fulfilled.

H. Becker, Bayonne NJ

I strongly encourage everyone to take this unique training course...it was truly a blessing! Old dreams were resurrected and a clear picture of what I am born to do was revealed. Looking deep inside of me was almost like looking into a treasure chest and pulling out the most precious gift of all: LIFE, and sharing the love of your God given gifts with others. Understanding the Why's in my life, being drawn to people, places and things... it's a wonderful learning experience which opened many avenues in life that I thought were closed.
