

Kingdom Training Institute presents:

KINGDOM INTERCESSION

Shifting from Plea... to Decree!

What it is: A Workshop / Roundtable Discussion exploring New Covenant, Kingdom Intercession, and its foundational role in creating a culture through which revival is birthed and sustained:

- Presence based declarations and decrees -
 - Crying out for more of Father God's heart positions us to receive declarations that the regional Church can agree on and decree.
- Personal preparation and discipline -
 - Recognizing and appropriating the superior protection we've been given positions us to remain effective for the long term.
- Obtaining an unoffendable spirit -
 - When we experience transformation by His love we are positioned to become carriers of His transforming presence, toward all who would test the very limits of that love.
- The 3 types of intercessors, (Seer, Senser, Rhema), how they function, and practical wisdom on increasing effectiveness.
- Recognizing and carrying out intercessory assignments, engaging in effective follow through and ongoing focus.
- How joy-based intercession positions us to avoid burnout.
